Serial No. 10/758,052 Filed: 14 January 2004(01/14/04)

Attention: PETITIONS OFFICER

PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. 1.181(a)

Commissioner for Patents
P. O. Box 1450
Alexandria, VA. 22313-1450

Sir:

A Notice of Abandonment (Exhibit A) was mailed on 7 January 2008 and received today, 11 January 2008. The Notice states that applicants failed "to timely file corrected drawings" (Box 3, checked) and that "no corrected drawing" was received (Box 3(b), checked).

The above-identified patent application was filed 14 January 2004.

A first office action was mailed 21 March 2007, and a timely response was filed on 14 June 2007. A copy of the Office Action Summary, Form PTOL-326 (Exhibit B) which accompanied the office action is enclosed.

Referring to Exhibit B, note that Box 10 is checked. This box states "The drawing(s) filed on 14 January 2004 is/are: a) ☐ **accepted** . . . (emphasis supplied) is checked; and, in view of the drawings having been accepted, as one would expect, the box for "b)" is not checked.

Accordingly, applicants' undersigned attorney placed a "Post-It" sticker on the file with the notation that the drawings were accepted.

When the attorney received the Notice of Allowability, Form PTOL-37 (Exhibit C) mailed on 4 September 2007 along with the Notice of Allowance and Issue Fee(s) Due, he

checked to make sure that all the pending claims had been allowed, and did not look any further as he had no reason to suspect that the drawings were now NOT deemed acceptable.

Assuming he looked further down the form to check if the Examiner had signed it, he must have missed noting the lightly crossed box which stated "CORRECTED DRAWNGS (as "replacement sheets") must be submitted.

Moreover, neither box (a) or (b) under Box 5 was checked, making it even more likely that the checked Box 5 was inadvertently overlooked and missed.

In view of the PTOL-326 not having specified any corrections to the acceptable and accepted drawings, no substitute drawings were prepared.

As a result no corrected drawings were submitted.

Applicant's undersigned attorney spoke to Examiner McAvoy earlier today and brought the foregoing to her attention.

She stated that the drawings were accepted because she deemed them acceptable.

She could not explain why the Box 5 in the Notice of Allowability was checked, more particularly because neither box (a) nor (b) was checked.

A reconsideration of the holding of abandonment should take into account that in view of the clear statement that the filed drawings were accepted, it is abundantly clear that missing the lightly crossed was a forgivable error on the attorney's part, and that the application was never abandoned.

The Notice of abandonment was improvidently deemed abandoned.

It is respectfully requested that this petition be granted.

Respectfully submitted,

Alfred D. Lobo (Reg. No. 24,109)
